From the Head of School

It is my honor to thank every individual, foundation and business for their generosity toward Kents Hill for the fiscal year 2013-2014. Our successful efforts helped to raise a record Annual Fund at \$664,256, meet the fund raising goal for the first phase of the Bearce Hall Campaign, launch the fund raising for the dining hall, and establish four new scholarships that will ensure opportunities for generations to come. There are many people to thank, beginning with the Kents Hill faculty. We are blessed with committed individuals who give of themselves each year to ensure the very best education for each student. I am grateful to them for their dedication. I also wish to thank the Board of Trustees, who guide our school and give their time and resources so generously to Kents Hill. Each and every dollar that is given to Kents Hill is used to enhance the experience for our students. Gifts to Bearce keep our classrooms warm and energy efficient; scholarships benefit students with financial need enabling them to attend Kents Hill; and gifts to the Annual Fund ensure resources that add great value to the experience. Annual Fund dollars support Winter Carnival, art trips to Boston, additional teachers ensuring our classes stay small, and so many other items critical to the life of the School.

Kents Hill's endowment now stands at \$24 million. Every dollar raised for capital construction has been invested while the school has paid construction costs with long-term loans at a lower rate than the percent of growth annually in the endowment, which is invested in the Commonfund. We are indebted to the professionals on the Finance Committee and the Investment Subcommittee of the Board for their expertise and time spent to ensure we have optimized our resources. Donors should be very pleased that their gift has been maximized and will help Kents Hill for decades--and centuries to come.

The giving this past year is an inspiration to all of us and I am grateful for each and every gift Kents Hill has received. Collectively, we will preserve Kents Hill's standing as one of the finest small boarding schools in the country. Thank you!

Sincerely,

Patrick C. McInerney
